**ACCOUNTABILITY BURNS**, code name E5, is running for City Police & Fire Commissioner, a City leadership opportunity, & People's Ambassador, Rainbow program, to City Hall, & thence to the Cosmos (World at Large), under Reverse Engineering. A news conference is called for 10 AM Jan. 30, Mon., in State Ofc Bldg Cafet. . . A comprehensive program of Justice (stop circumcizm of women-men), Accountability (progressive taxes, disarmament), & Leadership (metro level) is now available, as derived from a Special DataBase-Index, seen in the Kitchen Microcomputer Bulletin Board on World Peace, Poltix, Einstein, & Cosmography, part of the book "E5: First in Space". The essence, key, theme, & criterion is "equal justice-rights & integrity-integration for all." The program is anti-drug & antiwaw. Waw is the #1 drug on the market, & is led-originated-dictated by papacy-Vatican . . . Government & poltix are under heavy attack, since Watergate; hence the E5 program, so dubbed, is designed to bring integrity to metro-government & keep City Board out of jail . . . Unpledged & uncommitted Democrat(ic) officials in Tulsa precincts are needed, Jan. 21 to Apr. 3, with a new & original commitment to Peace & Democratic Socialism, alias Freedom . . . Tickets to Brunch, 10AM Sat Jan 21 are available at \$25-200 per donation. Call 599-7785. Lobbyists must clearly state their position & sketch opposing views . . . Yard signs & posters are now available at campaign HQ—1119 S. Rockford #3, 74120. Consultants are being hired as needed. A campaign kitty is now available. Unskilled volunteers are welcome, from each precinct . . . Big Brother, = pope, a foreign power, is watching Tulsa, on Jan. 21 (Tulsa Democratic Convention, closed), on Jan. 23 (TU Law Sch Moot Court trial, oath-taking in Education), on Jan. 24 (SchBd, elect Adams & Hodges), on Jan. 30 (City filing papers available), on Feb. 6-7-8 (City Board filings), & on Mar. 6 (City primaries).
